Three International Scientific Practical Conferences in Riga!

Academic persons and businessmen are invited to participate in three International Scientific Practical Conferences November-December 2016!

The primary objective of the conference – to bring together professionals, scientists, researchers for a general scientific discussion about changes in business competences, trade marketing and business environment in the context of European Union integration and globalisation.

All Conferences papers will be refered by international recognized scientific standards and published in the Baltic Journal of Marketing, Baltic Journal of Business Environment and in the book of scientific papers Business Competences. Scientific Journals and book will be noted in EBSCO, SCOPUS and RePEc data bases.

The conference will be held cooperating together Scientific Institution “Business Competence Centre” and ISMA University.
